

Every Day Hero Memorial Field of Honor

Was your loved one an Every Day Hero who served in the Military, Police or Fire Department?
If so, we would like to honor them with a **Memorial Field of Honor**

The Massapequa Kiwanis Club will temporarily place American Flags
in a tasteful and distinguished display at your home for one week and at the
conclusion will come back and remove them

There is no cost to you or to your family.

*This tribute is our opportunity of giving back to our community and of giving your loved one
the recognition they deserve for their service.*
